DEPARTMENT OF ECONOMICS
SCHOOL OF MANAGEMENT AND SOCIAL SCIENCES
PAN-ATLANTIC UNIVERSITY, IBEJU-LEKKI, LAGOS

2024/2025 Academic Session (First Semester Examination)

Course Code: ECO 205

Number of Units: 2 Units

Course Title: Structure of the Nigerian Economy

Time allowed: 2 Hours

Instruction: Answer Question ONE and any other TWO Questions

Question 1. [25 Marks]

- a. Discuss the historical role of the agricultural sector in Nigeria's economic development from pre-colonial times to the present day. In your answer, include key phases and events that have shaped the sector, particularly the impact of colonialism, post-independence policies, and contemporary reforms [7.5 Marks]
- b. Despite the series of agricultural financing programmes of successive governments in Nigeria, the agricultural sector remains largely under-financed. Elucidate this claim by identifying five main agricultural sector financial programmes and why they are yet to meet the finance gap in the sector? [7.5 Marks]
- c. Critically assess the economic structure of Nigeria during the colonial era. How did British colonial policies influence Nigeria's post-independence economic structure and its socio-economic inequalities? [5 Marks]
- d. In Nigeria, oil transactions have dominated international trade transactions from 1985 to 2024, discuss the factors responsible for this trade situation? [5 Marks]

Question 2. [20 Marks]

- a. Examine the role of state intervention in Nigeria's economic development, particularly through policies such as import substitution industrialization (ISI), economic diversification efforts, and the establishment of state-owned enterprises. What have been the successes and failures of these interventions? [8 Marks]
- b. List and explain the role of government in the operations of the Nigerian economy? [7 Marks]

- c. Graphically illustrate and explain the structure of Nigeria's educational system? [5 Marks]

Question 3. [20 Marks]

- a. State five roles of each of the following participants in the Nigerian financial sector:
- i. The Central Bank of Nigeria [4 Marks]
 - ii. Deposit Money banks [4 Marks]
 - iii. Bank of Agriculture [4 Marks]
- b. Outline the most critical five of the problems of the health sector in Nigeria and discuss five ways of surmounting the challenges? [5 Marks]
- c. Briefly examine six (6) roles of SMEs in the growth of the Nigerian economy? [3 Marks]

Question 4. [20 Marks]

- a. Evaluate the role of the Nigerian government in supporting the diversification of the economy through mining. How effective have governmental initiatives been in stimulating the development of the sector, and what additional steps can be taken to ensure the sector's contribution to economic diversification? [8 Marks]
- b. List and explain the strategic policy instruments for industrial sector reforms since the attainment of political independence in Nigeria? [6 Marks]
- c. Economic development planning is a sine qua non for all economies, whether developed, underdeveloped, or emerging markets. In emerging markets, there are several reasons for planning, as failure to plan is planning to fail. Discuss? [6 Marks]

Question 5. [20 Marks]

- a. Analyze the major challenges faced by the mining sector in Nigeria, including issues such as inadequate infrastructure, illegal mining, environmental degradation, and security concerns. How do these challenges affect the sector's ability to attract investment and contribute to sustainable development? [8 Marks]
- b. Enumerate the incentives designed by the Nigerian government to encourage rapid industrialization of the country from the post-independent era to the contemporary period? [6 Marks]
- c. The structural adjustment programme (SAP) is one of the most talked-about economic policies in Nigeria; succinctly discuss its cardinal objectives, strategies, and implications for the performance of the Nigerian economy? [6 Marks]
